MLK Day - NO SCHOOL!!!

REGISTRATION 2018/2019 OPEN HOUSE for New Families 11:30 am - 12:30 pm

President's Day - NO SCHOOL!!!

BIG thanks to...

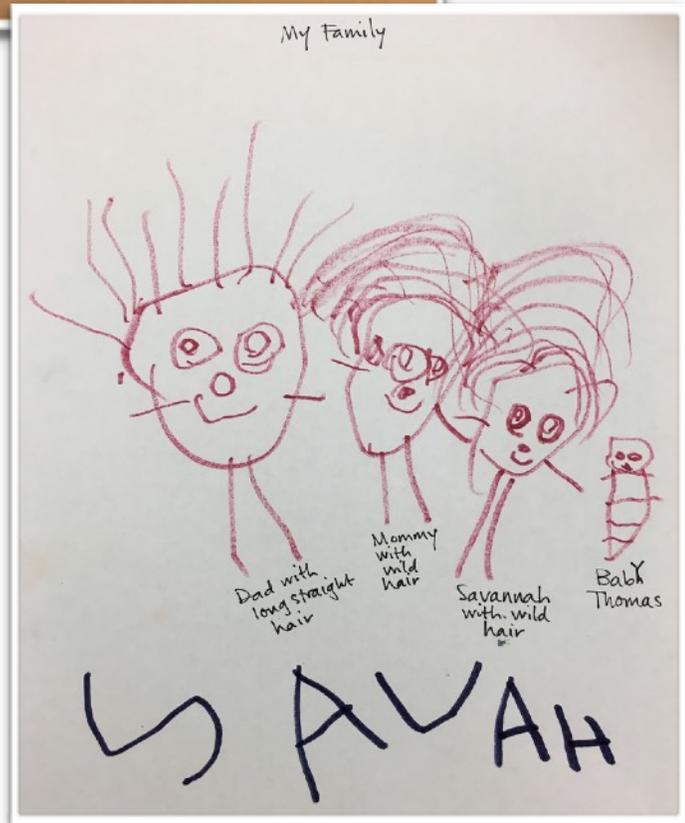

All families who provided snacks, flowers, & napkins to our **Holiday Parties!!!**

March Osterbeck for choosing a gift for TCS on her own birthday! They put together 11 complete **SLIME** Making Kits so we could make our own.

EVERYONE who gave year-end donations to support **TCS!**

A very special thank you from all the teachers for our holiday gifts.

Happy Holidays!

TCS Class News

Pre3 Classes

Jingle bells, winter songs, and lots of glitter kept our Pre3's busy in December! Music time is one of our favorites and we all want to participate. Our party was a blast too - yummy treats! It always seems that we return from winter break with a whole new perspective, i.e., much more grown-up and capable of many more things - **buckle up!**

MWF Class

Our class has been busy trimming the tree, tracing trees and stars, and playing **Holiday Bingo!** We decorated light bulbs with tissue paper, dotted up stockings, and glittered pine cones to hang on the tree. So much crafty fun!

M-F Class

We boogied our way through December with scarf dancing and jingle bell shaking. So nice moving around on rainy days when stuck inside. **The Elves and The Shoemaker** story inspired us to act out our first drama. We took turns being all parts but, of course, our favorite was being an elf! We also scoured catalogues, selected items, and wrapped gifts for those we love.

PreK Class

Party day gave us time to show our flower cutting and arranging skills, bracelet making, and spreading and sprinkling work to **FROST OUR OWN COOKIES!!!** Oodles to look forward to in 2018 - telling time, building dinosaur homes, and our Showcase of Skills Night.

Happy New Year!!!

*****Teacher Spotlight*****
Teacher Lisa Eve

I have been in the teaching profession for over 15 years! I first started giving piano lessons so I could stay home with my son as he went to school. Now that he is grown, and doing wonderful things to save the world, I'm still giving music lessons, and I love working each day with your children at TCS.

Recently, I traveled to Italy and Croatia where I spent a week on a sailboat exploring the beautiful waters of the Adriatic Sea. I also am back singing in a jazz trio; I will be ready to hire out for all your summer parties come June! All these years later, I still hang on the tree my ornament that I made as a preschooler - it's a family treasure.
